

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 562 - SB 1463

February 11, 2023

SUMMARY OF BILL: Requires that members of the National Guard, when assigned to state military duty by the commander in chief or when ordered to active state service by the Governor, be paid immediately upon being activated. Requires the Department of Human Resources (DHR) to prorate the compensation of such members.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 58-1-109, compensation for such military members shall be paid from the funds appropriated, or otherwise legally made available to the Department of Military (DOM), at the same rate of pay and allowances as are at the time provided for the same grade and ratings in active federal service, except that lesser rates of pay may be prescribed by the adjutant general for personnel on full-time active duty.
- Currently, DHR's schedule for state active duty falls in line with regular state agency payroll cycle submissions.
- Based on information provided by the Department of Finance and Administration, DHR, and DOM, this legislation will not result in an increase in payment to applicable military members, but rather, shift when such members collect earned compensation.
